## COACHING PHILOSOPHY

*Use additional pages if necessary.*

Why do you want to be a Unionville Jets Select team official?

What strengths do you have to offer to this team?

What makes a hockey season successful?

What team rules will you have?

How will you communicate team rules and expectations to the players and parents?

As the Unionville Jets select program is a development program, equitable playing time is to be provided to all players. How will you meet this expectation?
