

Why become a sponsor of the Unionville Minor Hockey Association?

The Unionville Minor Hockey Association currently registers over 800 boys and girls from ages 4 to 21 to play minor hockey for a season. The UMHA is proud to have provided a fabulous hockey program to the Unionville/Markham community for over 50 years! Our program includes Mite Hockey School for children ages 4 to 6, recreational house league hockey for children ages 7 to 21, formal skills training for players at all levels and also select hockey in the form of Unionville Jets teams for many divisions.

Sponsorship Fees: **\$650.00** for one house league hockey team
 \$550.00 each for two or more teams

What our players receive:

Your sponsorship buys a full uniform for each player on a team. This means socks and team jersey displaying your name and/or logo. Sponsorship also helps pay for escalating costs of ice, providing trophies, the player's banquet, goalie and miscellaneous equipment, coaching clinics, referee fees and special training clinics for the kids.

What you receive:

1. Advertising for your company or business on up to 16 player jerseys on a team named after your company or business for an entire hockey season which runs from September to April;
2. A team picture and plaque as well as a special sponsorship gift;
3. Your choice of team jersey colour offered on a first come, first served basis;
4. Weekly game results published in the Markham Economist & Sun by team name;
5. Your company or business name in the Tony Roman Memorial Hockey Tournament brochure and on the TRMHT website;
6. Advertising on our website, including a link to your company or business website;
7. The appreciation and thanks of the parents and players on your team and the UMHA!

And perhaps most importantly, you will receive the satisfaction of helping the kids in our community play the great Canadian game of hockey!
